*For use in Cheshire East Schools*

## **Religious Education** in Cheshire East

### **FOREWORD**

*May I commend this statutory agreed syllabus to all who are engaged or have responsibility for Religious Education in Cheshire East schools.*

*The syllabus has been based on a review of the previous syllabus and written by teachers and members of the Agreed Syllabus Conference. This new Cheshire East syllabus will allow RE to be delivered in a meaningful way, within which learners can explore beliefs, ethics and lifestyles that Religious Education includes.*

*We all live in a multi-cultural society and a good understanding of different cultures is crucial to young people's personal development. This syllabus seeks to offer help and advice to teachers so that pupils can engage with the challenges of the many spiritual, moral, social and cultural questions that modern life throws at them and creates opportunities for them to develop their own beliefs.*

*I am sure that this new up to date syllabus will be welcomed by all who are engaged in Religious Education and will allow pupils, through challenge, to reach their full potential.*

*Steve Wilkinson  
Chair of Cheshire East SACRE  
May 2011*

## **Cheshire East Agreed RE Syllabus**

*Each of the following sections can be found in a folder on the accompanying CD Rom. There are three complete versions of the syllabus available. Schools that don't use 'Word2007' should open the syllabus in 'rich text format' or as a PDF but they should be aware some formatting changes may occur.*

### **Main Syllabus - Statutory Guidance**

	<b>Page</b>
<b>Foreword</b>	
<b>Section 1 What are we trying to achieve?</b>	<b>1</b>
