1. PURPOSE AND AIMS

1.1 Pear Tree Primary School and Pips Before and after school club is fully committed to safeguarding and promoting the welfare of all its pupils and staff; providing a secure environment where they feel safe and are kept safe. All adults in our school recognise that safeguarding is everyone's responsibility irrespective of the role they undertake. The approach we take towards protecting our children against radicalisation and extremism is no different to safeguarding against any other vulnerability in today's society.

1.2 This Preventing Extremism and Radicalisation Safeguarding Policy is one element within our overall school arrangements to Safeguard and Promote the Welfare of all Children in line with our statutory duties.

1.3 Our school fully recognises the contribution it can make to promoting the welfare of children and protecting them from harm. This policy sets out our strategies and procedures to protect vulnerable pupils from being radicalised or exposed to extremist views.

1.4 At Pear Tree Primary School and Pips, we will ensure that:

- All staff, volunteers and governors, have an understanding of what radicalisation and extremism is and why we need to be vigilant in school.
- Through training, staff, volunteers and governors will know what the school policy is on tackling extremism and radicalisation and how to respond when concerns arise.
- Through our curriculum, we will promote the spiritual, moral, social and cultural development of pupils/students.
- Parents/carers and pupils/students will know that the school has policies in place to keep pupils/students safe from harm and that the school regularly reviews these systems to ensure they are appropriate and effective.

1.5 This policy applies to all pupils, staff, parents, governors, volunteers and visitors.

2. SCHOOL ETHOS AND PRACTICE

2.1 When operating this policy we use the following accepted Governmental definition of extremism which is:

'Vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and

beliefs; and/or calls for the death of members of our armed forces, whether in this country or overseas’.

2.2 The full Government Prevent Strategy can be viewed at https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/97976/prevent-strategy-review.pdf

2.3 There is no place for extremist views of any kind in our school, whether from internal sources - pupils, staff or governors, or external sources - school community, external agencies or individuals. Our pupils see our school as a safe place where they can explore controversial issues safely and where our teachers encourage and facilitate this; we have a duty to ensure this happens.

2.4 We provide a broad and balanced curriculum, delivered by skilled professionals, so that our pupils/students are enriched, understand and become tolerant of difference and diversity and also to ensure that they thrive, feel valued and not marginalized.

2.5 Any prejudice, discrimination or extremist views, including derogatory language, displayed by pupils/students or staff will always be challenged and where appropriate dealt with in line with our Behaviour Policy for pupils/students and the Code of Conduct for staff.

2.6 We will ensure that all of our teaching approaches and care help our pupils/students build resilience to extremism and give pupils a positive sense of identity through the development of critical thinking skills. We will ensure that all of our staff are equipped to recognise extremism and are skilled and confident enough to challenge it.

2.7. Our approach will be embedded within the ethos of our school so that pupils/students know and understand what safe and acceptable behaviour is in the context of extremism and radicalisation. This will work in conjunction with our schools approach to the spiritual, moral, social and cultural development of pupils and will include assemblies. Our goal is to build mutual respect and understanding and to promote the use of dialogue not violence as a form of conflict resolution. We will achieve this by using a curriculum that includes:

- Citizenship programmes
- Open discussion and debate
- Work on anti-violence and restorative approaches
- Focussed educational programmes

2.8 Our school will closely follow any locally agreed procedures as set out by the Local Safeguarding Children Boards agreed processes and criteria for safeguarding individuals vulnerable to extremism and radicalisation. In the event of concerns about a person becoming radicalised consideration will be given to using the LA Channel process. Channel is a bespoke panel which meets to address issues of individuals who have been identified as being at risk of radicalisation but have not committed any terrorism offence.

3. ROLES AND RESPONSIBILITIES

3.1 It is the responsibility of every member of staff, volunteer and regular visitor to our school to ensure that they carry out the requirements of this policy and, at all times, work in a way that will safeguard and promote the welfare of all of the pupils/students at this school.

3.2 The Governing Body of Pear Tree School and Pips is accountable for ensuring the effectiveness of this policy and our compliance with it. The Governing Body will ensure that:

- This policy is reviewed annually alongside our Safeguarding Policy.
- All staff undertake appropriate training that equips them with the skills to identify and respond appropriately to concerns regarding extremism and radicalisation.

- The Headteacher and Designated Safeguarding Lead will assess the risk of pupils being drawn into extremist views. The risk assessment may include consideration of the school's curriculum, the use of school premises by external agencies and any other local issues relating to the school community.
- A broad curriculum is in place to deliver the spiritual, moral, social and cultural development of pupils.
- Appropriate safeguarding arrangements are in place by working in partnership with other agencies and communities as required.
- There are systems in place for keeping pupils safe from extremist material when accessing the internet in our school by using effective filtering and usage policies.

3.3 The Designated Safeguarding Lead (DSL) will act as the point of contact within our school for any concerns relating to radicalisation and extremism.

3.4 The DSL at Pear Tree Primary School and the manager of Pips (working in conjunction with the DSL) will make referrals in accordance with Cheshire East Channel procedures to ChECS, where appropriate, and will represent our school at Channel Panels as required.

3.5 The DSL is responsible for ensuring that all staff members and volunteers are aware of our policy and the procedures they need to follow. They will ensure that all staff have received appropriate training.

4. TRAINING

4.1 Through training, we will ensure that all of our staff are made fully aware of the threats, risks and vulnerabilities that are linked to radicalisation. Staff will be able to identify children at risk of being drawn into extremism and develop the confidence to challenge extremist ideas. All staff will understand how we can provide support to ensure that our pupils/students are resilient and supported to resist involvement in radical or extreme activities.

4.2 Our governing body will also undertake appropriate training to ensure they are able to carry out their duty to safeguard all of the children at our school.

5. THE ROLE OF THE CURRICULUM

5.1 At Pear Tree School and Pips Before and After School Club we will provide pupils with a broad and balanced curriculum and promote the spiritual, moral, social and cultural development of our pupils. Pupils will be encouraged to regard people of all faiths, races and cultures with respect and tolerance. At our school we will promote the values of democracy, the rule of law, individual liberty, mutual respect and tolerance for those with different faiths and beliefs. We will teach and encourage pupils to respect one another and to respect and tolerate difference, especially those of a different faith or no faith. It is our fundamental responsibility to keep our pupils safe and prepare them for life in modern multi-cultural Britain and globally

5.2 Through our curriculum we will aim to:

- “ enable pupils to develop their self-knowledge, self-esteem and self-confidence
- “ enable pupils to distinguish right from wrong and to respect the civil and criminal law of England;
- “ encourage pupils to accept responsibility for their behaviour, show initiative, and to understand how they can contribute positively to the lives of those living and working in the locality of the school and to society more widely;

“ enable pupils/students to acquire a broad general knowledge of and respect for public institutions and services in England;

“ further tolerance and harmony between different cultural traditions by enabling pupils/students to acquire an appreciation of and respect for their own and other cultures;

“ encourage respect for other people;

“ encourage respect for democracy and support for participation in the democratic processes, including respect for the basis on which the law is made and applied in England.

5.3 We will achieve this by using a curriculum that includes:

Heart and Soul Curriculum

KiVA programme to prevent and address bullying

Philosophy for Children

6. VISITORS AND THE USE OF SCHOOL PREMISES

6.1 At Pear Tree Primary School and Pips Before and After School Club we recognise the role that external agencies and speakers can play in enhancing the learning experiences of our pupils/students. Where we use external agencies and individuals in this way, we will positively vet them to ensure that their messages are consistent with, and not in opposition to, the school's values and ethos.

6.2 Our school will assess the suitability and effectiveness of input from external agencies or individuals to ensure that:

“ Any messages communicated to pupils/students are consistent with the ethos of the school and do not marginalise any communities, groups or individuals;

“ Any messages do not seek to glorify criminal activity or violent extremism or seek to radicalise pupils through extreme or narrow views of faith, religion or culture or other ideologies;

“ Activities are properly embedded in the curriculum and clearly mapped to schemes of work to avoid contradictory messages or duplication;

“ Activities are matched to the needs of pupils;

6.3 Any guest speakers or external agencies will be provided with a copy of our safeguarding procedures on arrival at the school and will be appropriately supervised at all times.

5.4 When an agreement is made to allow non-school groups or organisations to use the school premises, appropriate checks will be made before agreeing the contract. Usage will be monitored and in the event of any behaviour not in keeping with the Tackling Extremism and Radicalisation Policy, the school will contact the Prevent Officer and terminate the arrangement.

7. PROCEDURES FOR MANAGING CONCERNS

7.1 Pear Tree Primary School and Pips Before and After School Club adheres to the procedures that have been agreed locally through Cheshire East Safeguarding Children Board for safeguarding individuals vulnerable to extremism and radicalisation.

7.2 We recognise that all staff at our school play an important role as they are in a position to identify concerns early and provide help for children to prevent concerns from escalating.

All staff are advised to maintain an attitude of '*it could happen here*' where safeguarding is concerned and this includes vulnerability to radicalisation.

7.3 At all times we will work in partnership and endeavour to establish effective working relationships with parents, carers and colleagues from other agencies in line with Working Together to Safeguard Children (2015).

7.4 The Designated Safeguarding Lead (DSL) should be the first point for contact any safeguarding concerns in our school. Any member of staff/visitor who receives a disclosure of or suspects that a child is at risk of radicalisation must report it immediately to the DSL or, if unavailable, to the Deputy Designated Safeguarding Lead.

7.5 Following receipt of any information raising concern about vulnerability to radicalisation, the DSL will consider what action to take and will follow Cheshire East Safeguarding procedures by consulting with ChECS and contacting the Prevent Co-ordinator.

7.6 All information and actions taken, including the reasons for any decisions made, will be fully documented.

7.7 If an allegation is made or information is received about an adult who works in our setting which indicates that they may be unsuitable to work with children because of concerns relating to extremism and radicalisation, the member of staff receiving the information should inform the Headteacher or Chair of Governors immediately in line with the procedures outlined in our Safeguarding Policy and the Whistleblowing Policy.

Appendix 1: Warning Signs/Indicators of Concern

Taken from Prevent Duty Guidance: England & Wales, HM Government 2015

There is no such thing as a 'typical extremist': those who become involved in extremist actions come from a range of backgrounds and experiences, and most individuals, even those who hold radical views, do not become involved in violent extremist activity.

Factors which may make pupils/students more vulnerable may include:

Identity Crisis: the pupil/student is distanced from their cultural/religious heritage and experiences discomfort about their place in society.

Personal Crisis: the pupil may be experiencing family tensions; a sense of isolation; low self-esteem; they may have dissociated from their existing friendship group and become involved with a new and different group of friends; they may be searching for answers to questions about identity, faith and belonging.

Personal Circumstances: migration; local community tensions and events affecting the pupil/student's country or region of origin may contribute to a sense of grievance that is triggered by personal experience of racism or discrimination.

Unmet Aspirations: the pupil/student may have perceptions of injustice; a feeling of failure.

Experiences of Criminality: involvement with criminal groups, imprisonment, poor resettlement or reintegration.

Special Educational Need: pupils/students may experience difficulties with social interaction, empathy with others, understanding the consequences of their actions and awareness of the motivations of others.

Pupils/students who are vulnerable to radicalisation may also be experiencing:

- ~ Substance and alcohol misuse
- ~ Peer pressure
- ~ Influence from older people or via the Internet
- ~ Bullying
- ~ Domestic violence
- ~ Race/hate crime

Behaviours which may indicate a child is at risk of being radicalised or exposed to extremist views could include:

- Being in contact with extremist recruiters and/or spending increasing time in the company of other suspected extremists;
- Loss of interest in other friends and activities not associated with the extremist ideology, group or cause; attempts to recruit others to the group/cause;
- Accessing extremist material online, including through social networking sites; possessing or accessing materials or symbols associated with an extremist cause;
- Voicing opinions drawn from extremist ideologies and narratives, this may include justifying the use of violence to solve societal issues;
- Changing their style of dress or personal appearance to accord with the group;
- Using insulting to derogatory names for another group;
