CHARGINGS AND LETTINGS POLICY

Introduction

The Governing Body of Pear Tree Primary School regards the school buildings and grounds as a community asset and will make every reasonable effort to enable them to be used as much as possible. However, the overriding aim of the Governing Body is to support the school in providing the best possible education for its pupils, and any lettings of the premises to outside organisations will be considered with this in mind. It is also the policy of the Authority to maximise the use of all educational premises and to seek to encourage the active participation of as wide a range of groups as possible from the community.

The school's delegated budget (which is provided for the education of its pupils) will not be used to subsidise any lettings by community or commercial organisations. A charge will be levied to meet the additional costs incurred by the school in respect of any lettings of the premises. As a minimum, the actual cost to the school of any use of the premises by an outside organisation must be reimbursed to the school's budget.

Definition of a Letting

A letting may be defined as any use of the school premises (buildings and grounds) by either a community group (such as a local music group or football team), or a commercial organisation (such as the local branch of Weight Watchers). A letting must not interfere with the primary activity of the school, which is to provide a high standard of education for all its pupils.

Use of the premises for activities such as staff meetings, parents meetings, governing Body meetings and extra-curricular activities of pupils supervised by school staff, fall within the corporate life of the school. Costs arising from these uses are therefore a legitimate charge against the school's delegated budget.

Charges for a Letting

The Governing Body is responsible for setting charges for the letting of the school premises. A charge will be levied which covers the following:

- Cost of services (heating and lighting);
- Cost of staffing (additional security, caretaking and cleaning) .

including on-costs;

- Cost of administration;
- Cost of wear and tear;
- Cost of use of school equipment (if applicable);

The specific charge levied will be reviewed annually, during the spring term, by the Strategy Committee for implementation from the beginning of the next financial year. Current charges will be provided in advance of any letting being agreed.

Management and Administration of Lettings

The Headteacher is responsible for the management of lettings. Where appropriate, the Headteacher may delegate all or part of this responsibility to other members of staff, whilst retaining overall responsibility for the lettings process.

If the Headteacher has any concern about whether a particular request for a letting is appropriate or not, s/he will consult with the Chair of the Strategy Committee (or alternative, as appropriate), who is empowered to determine the issue on behalf of the Governing Body.

The Administrative Process

Organisations seeking to hire the school premises should approach the Headteacher (or other designated member of staff), who will identify their requirements and clarify the facilities available. A form (see appendix) should be completed at this stage. The Governing Body has the right to refuse an application, and no letting should be regarded as booked until approval has been given in writing by the headteacher. No public announcement of any activity or function taking place should be made by the organisation concerned until the booking has been formally confirmed.

Once a letting has been approved, a form will be sent to the hirer, setting out full details of the letting and enclosing a copy of the terms and conditions and the hire agreement. The person applying to hire the premises will be invoiced for the cost of the letting, in accordance with the Governing Body's current scale of charges. (Schools may wish to seek payment in advance in order to reduce any possible bad debts.)

The hirer should be a named individual and the agreement should be in their name, giving their permanent private address. This avoids any slight risk that the letting might be held to be a business tenancy, which would give the hirer security of tenure.

All lettings fees which are received by the school will be paid into the school's delegated budget, in order to offset the costs of services, staffing etc (which are funded from the school's delegated budget). Income and expenditure associated with lettings will be regularly monitored to ensure that at least a break even situation is being achieved. All lettings are reported to the Strategy sub committee.

Public Liability and Accidental Damage Insurance

All organisations submitting applications for letting of school premises must certify that they possess an appropriate level of cover for the activity being undertaken. The minimum level of cover required by the governing body is £1,000,000.
