

PEAR TREE SCHOOL

NEWTLETTER

6th February 2025

www.peartreeprimary.co.uk

As we move towards our Spring half term, there has been much to celebrate and acknowledge since coming back to school in January. Across the school there has been an immersion in Literacy, particularly writing, with the children accessing high-quality texts and writing for a range of purposes. As you will be able to see from our social media sites, each class has ensured that the curriculum at Pear Tree continues to adapt and flourish allowing all children to access a wide range of subjects.

Over the past 5 weeks, the school has provided a whole host of opportunities for the children here. Last week, the PTA ran two successful discos, both Green Class and Blue Class have started their whole class music lessons, sports events are back up and running and we have invited parents from Red and Orange to join their children for lunch. We look forward to more exciting activities to come this term!

Sports

So far this term we have sent two teams to events.

Our Y5/6 Dodgeball team took part in a festival playing a number of games and showing that practise in PE lessons pays off. The Y5/6 Football team played in the Cheshire Schools Cup and were able to use the tournament to train for the next round of the 'Road to Wembley' in March up in Accrington.

We wish our Y5/6 Netball team and the Y3/4 Gymnastics squad good luck for their competitions before half term.

Friday Library

We are again finding that Friday Library is being used for the purposes of an early pick-up. If you are arriving for this event, please ensure you do indeed choose a book with your child to share in their love of reading.

The PTA will be in the small hall for uniform and cake sale at the end of the day.

Online Safety

E-Safety is an important part of keeping children safe online. We have security measures in place in school, which are constantly monitored, to help safeguard pupils from any potential dangers. e-Safety is taught to all pupils explaining and demonstrating how to stay safe and behave appropriately online.

We can only be successful in keeping children safe online if we work with you to ensure the e-Safety message is consistent. Your help is needed to talk to your children about how they can keep safe and behave appropriately online. Children can accidentally or deliberately be exposed to unwanted or unpleasant content or comments online and we appreciate your support with limiting access to this outside of school.

Lunchtime Throwback Thursday

We would love for you to come in and join your child / children for their lunch on the days below. Please ensure you have contacted the office at least a week in advance if you wish to join us. We hope to see you at 11:45am on these days!

Orange - 6th February

Violet – 27th February

Yellow - 13th February

Indigo – 6th March

Blue – 13th March

Green – 20th March
